COMMUNITY-BASED MENTORING

The Bigs in Blue program connects Metro-area law enforcement volunteers one-to-one with a youth in the community. The two of you spend time together doing activities you both enjoy.

YOUTH IN OUR PROGRAM SHOW GREATER ASPIRATIONS & CONFIDENCE, BETTER RELATIONSHIPS AND AVOIDANCE OF RISKY BEHAVIORS.

Just meet with your Little two times a month, at least four hours a month for twelve months. Our agency hosts monthly activities and distributes donated tickets for local events to provide you additional options.
